CASH ADVANCED ON TOBACCO, ON the most advantageous principle, by BREMERMAN & CUNO, Boonville, March 24, 1844.

From Dr. Stanton, Amenia, N. Y. I hereby certify to the following facts respecting SPOHN'S HEADACHE REMEDY: After a day of considerable fatigue, I was attacked suddenly with a dizziness and difficulty of seeing distinctly—the atmosphere appearing very smoky. I supposed, that probably some attack of an apoplectic character was at hand. I hurried home, the difficulties increasing, but as yet scarcely any pain. But my alarm was soon dissipated in a violent attack of sick headache—the first I ever experienced. In a few days another attack ensued, and I fear would have continued to return had I not providentially become acquainted with the above mentioned remedy. I used the medicine for a few months, whenever the attack occurred, and from that time to the present four years, have not had a single attack. Since that I have recommended it to others in a very large number of cases, with relief in all cases, and in many with complete success.

S. N. STANTON, M. D. MRS. COSTENBADER has been from infancy most painfully afflicted with headache, so much so, that at times her eyes became fixed and colored. She had the headache at all times, but sometimes more dreadfully than at others. She has consulted many of the best physicians here and at Philadelphia, but without any permanent relief whatever, till she has now taken Dr. SPOHN'S HEADACHE REMEDY, and become quite well. Of this, she can convince any one who will call on her at No. 47 Pitt-street.

Let Truth be known to all the World. A young man in the office of Messrs. Harnden & Co., No. 3 Third St., was bitten in the arm by a spider about a week ago, and it caused the arm to swell to almost double its size. It was very painful and sore, and kept growing more painful every minute, when the Magical Pain Extractor, from Comstock & Co., 21 Courland-st., was applied, and in five minutes no pain was scarcely felt by it, and in less than 15 minutes almost all the swelling had subsided. The patient was almost all gone down, and in 24 hours well. Let any one who doubt this call at their office, for the positive fact can be proved to all who will call. It is also as good in inflammation, bruises, burns, scalds, and all outward complaints, and will save life and heal without a scar in every case of burn or scald, if the vital parts are uninvolved.

Nerve and Bone Liniment, and Indian Vegetable Elixir. A CURE FOR RHEUMATIC AFFECTIONS. This article is most truly named, as it penetrates to every nerve and sinew of the person using it, and has attained a reputation unequalled by any other article in Rheumatism. This externally, will cure the most severe cases—extended contracted muscles, and bring feeling and sensibility to limbs long paralyzed and useless. We only need refer to some cases below to obtain the confidence of the public for these articles. The following are too respectable, and the gentlemen too well known to require comment. Let them read: I have been afflicted most grievously since 1832, with Rheumatism and contraction of the cords of my legs, caused by the cramps of the cholera, which I then had in its most severe form. After trying many remedies in vain, I have found relief—had the cords of my legs relaxed—the swellings reduced—and am greatly benefited by the use of one bottle of HEWEN'S NERVE AND BONE LINIMENT, used externally, and one bottle of INDIAN VEGETABLE ELIXIR, used internally at the same time. I can now walk with ease in positions that I could not a week ago endure at all. JAMES G. REYNOLDS, 144 Christie-st., corner of Delancy-st. For sale at the Drug and Book-store of Dr. Wm. R. Snelson, Fayette. Also, at the Drug store of Dr. A. R. Ober, Glasgow. March 1st, 1845.

BEAUFORT, N. C. March 28, 1842. Messrs. Comstock & Co.—Gentlemen—I called at your shop last week, and purchased a few bottles of Hewen's Liniment, which I have disposed of, and have had another supply from you since. I was induced to purchase it to sell from the happy circumstance of its curing me of the Piles, (having been subject to it for some four or five years) in New York last fall, when I was so bad off that I could not attend to my business with any degree of pleasure, and if necessary, I could procure certificates from those to whom I have sold it. I have never heard of a case of Piles for which it has been applied, that it has not cured; and I find it so valuable an article for curing sores, that I shall never be without it in my family so long as I can raise a dollar to purchase a bottle. BENJ. L. PERRY, For sale at the Drug and Book store of Dr. Wm. R. Snelson, Fayette. Also, at the Drug store of Dr. A. R. Ober, Glasgow. March 1st, 1845.
